PAC Student Contribution Form

We know that many parents are busy with work, other kids, and life in general. While we are always looking for volunteers to help out with PAC events and in the classroom, we all know this isn’t always easy or possible to do.

Therefore, each year we ask that if you can’t offer your time, you might consider donating money to help pay for field trips, school events and resources such as laptops and iPads. In past years, parents have traditionally given \$25 per child. This is completely at your discretion, and we simply ask that you consider a monetary donation.

(Please return to your child’s classroom)
